Career Alternatives for Nurses® or How to Start Your Own Business or Consulting Practice

Presented by Donna Cardillo, RN, MA

Visit www.nurse.com/ceseminars for complete information
or call 800-866-0919 or email ce@gannetthq.com.

Who should attend?

Any registered nurse, licensed practical nurse, nursing student, and anyone interested in learning about career options for nurses.

If you are already working and looking for a change, or if you are a new nurse who is looking for a non-traditional job opportunity, this is a good seminar for you.

While the Career Alternatives for Nurses® seminar does focus on career options for nurses, the **How to Start Your Own Business or Consulting Practice** is open to anyone interested in the fundamentals of starting a business.

For questions about the programmatic aspects of these seminars, contact Donna Cardillo at 800-801-5796, email donna@dcardillo.com or visit <http://dcardillo.com>.

Why Would I Want to Attend?

- You will learn about medical esthetics, forensic nursing, medical coding and billing, legal nurse consulting, life care planning, case management, massage therapy, fitness nursing and so much more.
- You will be able to define and describe five career options available to nurses; define three sources of job openings; describe three elements of an effective resume; list three steps to a successful interview; identify two predicted growth industries for nurses.
- You will earn 7.0 contact hours.

Gannett Education, formerly known as Nursing Spectrum Division of Continuing Education, is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
